Examiner: Larry R. Helms

Filed: August 21, 2001

Group Art Unit: 1642

Title: PSCA: PROSTATE STEM CELL ANTIGEN AND USES THEREOF

55 S. Lake Avenue, Suite 710
Pasadena, California 91101
February 18, 2003

Honorable Commissioner of Patents
and Trademarks
Washington, D.C. 20231

SUPPLEMENTAL AMENDMENT

This Supplemental Amendment is being filed to accompany the Amendment and Petition for Two-Month Extension of Time filed by Applicants on January 15, 2003, in response to an August 15, 2002 Office Action issued by the U.S. Patent & Trademark office in connection with the above-referenced application. Applicants believe this Supplemental Amendment is being timely filed.

No extension of time is necessary to file this Supplemental Amendment. If, however, an additional extension of time is required for this Supplemental Amendment to be considered, Applicants hereby petition for an additional one-month extension of time to extend the deadline for reply to February 15, 2003. However, since February 15, 2003 fell on a Saturday and Monday, February 17, 2003 was a Federal holiday, an amendment filed the next business day, namely, February 18, 2003 is considered timely. The fee as prescribed by 37 C.F.R. §1.17(a)(1) to cover this extension is \$110.00. The Patent Office is authorized to charge the amount of such fee to Deposit Account No. 50-0306. Accordingly, this amendment is being timely filed.
